October 2026

September is now over, and it was productive and exciting for both the children and the teachers. We had new students joining our extended “Kalyna Kids” family. I’d like to admit that all students there learned the Sadochok routines, made new friends, and got acquainted with the playschool environment.

We have started October by learning about seasons and autumn celebrations. Along the way, we shall be learning about Thanksgiving Day, Harvesting and Halloween celebrations.

A special Halloween Fun Day with a” trick or treat “activity will take place at the Sadochok. The children are encouraged to wear their Halloween costumes (no toy weapons and scary things, please). If your child would like to prepare small treats for theirs’s fellow classmates, please sign them only “From ... (your child’s name)”. A We will hold Halloween parties on Friday, October 30 for Sadochok and AS classes.

“Sonechko” class – total 10 students;

“Veselka” AM class – total 14 students;

“Veselka” PM class – total 12 students;

After School classes – total 49 students.

Each student will also need a spare bag to collect treats. Please send regular snacks. Special Halloween treats will be provided!

Pani Natalya

Important reminders

With ALL our programs we will still try to have as much outdoor time as the weather permits. So, please make sure that your children dress appropriately for the weather conditions during these gorgeous fall days.

Keep updated by checking our online calendar Teamup at <https://teamup.com/ks67koo6tjuvsr84tx>

Check your email at least weekly for important information.

Наш садок

Наш садок, наш садок
Вже чекає діточок!
Наш садок, наш садок
Це до школи перший крок!
Дуже люблять діти |
В наш садок ходити! | (2)

Наш садок, наш садок,
Тут не ставлять у куток!
Наш садок, наш садок,
Ми ідемо на урок!
Тут не тільки грають, |
Азбуку вивчають! | (2)

Наш садок, наш садок
Вже чекає діточок!
Наш садок, наш садок,
Як із зерням колосок
З дітками тут грають
І пісні співають! | (2)

Наш садок, наш садок...
Наш садок, наш садок...

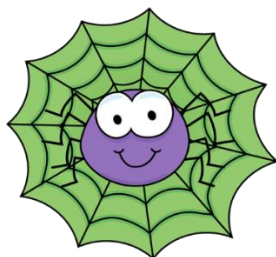

**1,2 – дерева,
3,4 – вийшли звірі,
5,6 – пада лист,
7,8 – зайчик в лісі,
9,10 – це сунічки
Підвели червоні личка**

**The itsy-bitsy spider went up
the waterspout,**

**Down came the rain and
washed the spider out,**

**Out came the sun and dried up
all the rain,**

**And the itsy-bitsy spider went
up the spout again!**

*Золоті летять листочки
Дощик капає в садочку
Крап-крап-крап – співа водичка
Умиває хмарка личко.*

Приспів (2 рази):

*Осінь,осінь,осінь вже!
Листячко жовтіє.
Осінь,осінь,осінь вже!
Вітер тихо віє*

*Їжачок несе грибочки,
заховався під листочки.
Зайчик весело стрибає,
Осінь золоту стрічає!*

Приспів (2 рази):

Trick or treat? Trick or treat?
Give me something good to eat.
Apples, peaches, tangerines.
Happy, happy Halloween!

Trick or treat? Trick or treat?
Give me something sweet to eat.
Cookies, chocolate, jellybeans.
Happy, happy Halloween!

Trick or treat? Trick or treat?
Give me something sour to eat.
Lemons, grapefruits, limes so green.
Happy, happy Halloween!
