*Welcome to Boyette Springs and Boyette Oaks!*

On behalf of the Board of Directors of the Association of Boyette Springs and Boyette Oaks we welcome you to the neighborhood. We feel certain that you will enjoy the quality of life of our community. We are glad to have you as a neighbor and would like to take this opportunity to give you some information about our neighborhood.

We are a voluntary association. Our primary purpose is to promote neighborhood cohesion and harmony while protecting property values and the quality of life for residents. This is accomplished through programs and services spearheaded by a volunteer Board of Directors.

1. Providing a communication focal point through email, The Buzz Newsletter, webpage, and social media, as well as periodic mailings to Members.
2. Providing a voice for the community by acting as a liaison with governmental agencies and institutions, businesses and schools in and around our area.
3. Encouraging and facilitating active resident participation in all quality of life issues affecting our community, including land use, transportation, safety and security matters.
4. Organizing neighborhood activities including community clean-up events, garage sales, festivals, and holiday events.
5. Maintaining a strong partnership with schools by providing community service hours for youth, scholarship opportunities, and youth improvement/education programs.
6. Establishing a neighbor standards program based on county codes to maintain neighborhood aesthetics and to keep the community a great place to live, work, and call home.

We hope residents embrace our community, increase participation and be more active as we move forward.

The HOA is run strictly by non-paid volunteers who live in Boyette Springs and Boyette Oaks. All money collected from dues goes back into the community. While the purpose of the board remains the same, the challenges for the present day and looming future are even more complicated than in the past. An all-volunteer board requires a commitment of time and energy for the common goal for bettering the neighborhood community.

Fish Hawk Turkey Trot Registration Open  
 Thanksgiving Day, November 24<sup>th</sup> 7 AM to 10 AM  
 10k/5k/Fun Run

Register: <https://runsignup.com/Race/FL/Lithia/2022FishHawkTurkeyTrot>

Family traditions are the heart of Thanksgiving and there's no better way to begin than by participating in the FishHawk Turkey Trot. Now in its 14th year, the event is the largest road race in our area and the biggest fundraiser for local food bank Seeds of Hope. With so many race/walk options, there really is something for everyone: 5K (timed and untimed), 10K, 1M fun run and even a 250 yd. mini-run for little ones. All races include a race t-shirt and finisher medal.

Leda Eaton, race director and Seeds of Hope president, has seen the benefit the race has provided to the community, "It's a great way to begin a holiday centered around family, food and being thankful. I love sitting down with my family after the race knowing this race has provided not only thanksgiving dinner but also food throughout the year to so many people in need."

In addition to being a good cause, it's just a feel-good family event stated Eaton, "People enjoy taking photos with our mascot turkeys, kids look forward to making crafts and dancing the "wobble" song, families enjoy running together; it just makes you smile." The race will once again be offering the first 100 across the finish line a "top 100" gift in lieu of age group medals. Eaton explained, "It's Thanksgiving and it's a much quicker way of awarding top finishers. Everyone can still see how they placed in their age group online." Get your spot before pricing increases. Don't delay – registering will ensure you and your family have the coolest shirts at your Thanksgiving table!

All proceeds from the race support local and 100% volunteer charity Seeds of Hope, Inc. that provides weekly distributions of food through a food bank, a school backpack of food program and a mobile pantry. In addition to providing food, Seeds of Hope also provides meaningful community service hours for students and many local students have received Bright Future scholarships based on the work they've done through the charity.
