Dear ICT academy of Tamilnadu,

We sincerely appreciate your insightful session at the Global Power Seminar on February 22, 2025 at Government College of engineering, bargur. Your expertise on Quantum Computing and AI Security provided immense value to our students and faculty.

The engaging discussions and real-world applications broadened our understanding, inspiring many to explore this field further. Thank you for your time and valuable contribution. We look forward to future collaborations.

Thanking you,

With regards,
