"Judy and Pro Escrow were very helpful and professional! Judy herself was very attentive and nice to us. The whole escrow process was very smooth and quick. We are very thankful for that! This was the purchase of our first home so it's extra special! Also we were using VA loan and we had no issues or delay with that. So thank you, Judy and Pro Escrow, for making it easier!"

-Xioyaris Torne, Buyer

"We were very impressed by your work and the way you were so prompt with everything. My clients were impressed with the way you handled signing of Escrow. I would like to use you again if you are willing."

- David Oliver, eXp Realty

"Even though I was the listing agent in a sale, (and the listing agent usually has choice of escrow), we really wanted to please this particular buyer because we felt they were so right for the home. The buyer's agent requested Judy Le of Pro Escrow. My transaction coordinator jumped for joy when she learned we were doing business with Judy Le. She reported how efficient, pleasant and on top of things Judy always is. I found this to be absolutely true. Realtors, buyers and sellers depend on the work of escrow. Excellent work such as Judy Le's of Pro Escrow is so deeply appreciated."

-Carl Jones, Reliance Real Estate

"We had an excellent experience with your company. Everything was managed thoroughly and as required. There were no surprises and we never doubted that the process would complete successfully. It is wonderful to encounter professionalism at this level. Thank you very much."
