Bordatella (Kennel Cough) _____ Lepto _____ Lyme Vax _____

Please read carefully before signing and submitting application

I understand that if in the course of treatment, a condition is discovered that requires medical attention or an additional procedure, such as pregnancy, hernia repair or the administration of IV fluids, the attending veterinarian may, in his/her absolute discretion, perform such procedure. I understand and will be prepared to pay reasonable charges, if any, at time of check out. If my pet has fleas (\$ 10.00) or ear mites (\$5.00) s/he will be treated and the fee will be charged, payable at time of pick up.

I am the owner or authorized agent of this animal and I authorize the licensed veterinarian appointed by Stray Haven Humane Society & S.P.C.A. Inc., to administer anesthesia and perform sterilization on this animal. I have been advised on the nature of the operation and the risks involved. I realize results cannot be guaranteed. All pregnant animals will be spayed unless the veterinarian deems otherwise. I also authorize Stray Haven Humane Society & S.P.C.A. Inc., and the appointed veterinarian to do what is necessary in the event of surgical complications or unforeseen circumstances and understand that any addition cost that may result will be my responsibility to pay.

I understand there will be no pre-surgical blood screening to detect any abnormalities in my animal and I am also aware that there is a risk of complications related to any surgical procedure or vaccination and they may result in the death of this animal. I will not hold Stray Haven Humane Society & S.P.C.A., Inc., its agents or the appointed veterinarian liable if, in the rarest cases, this animal dies as a result of the surgery, medication or vaccination sensitivity.

I understand Low Cost Spay/Neuter clinics are intended for area residents facing financial challenges who cannot otherwise afford to have their pets spayed or neutered.

All information provided will remain completely confidential. I have read and understand the above statements. My signature below indicates all the information provided as part of this application is true.
