Adoption fees are non-refundable donations. Stray Haven makes no claim or representation as to the temperament or health of animals available for adoption. We can only make an educated guess by our limited interaction with them as to how they may behave. Unfortunately, many of our animals are strays without a history and for those with previous owners, we relay the information given to us by their former owners.

Do you understand that Stray Haven makes no representations or guarantees of the temperament and health of any animal from Stray Haven? Yes No

Do you understand that Stray Haven is in no way liable for any future injury/damage caused by this animal? Yes No

Stray Haven welcomes your calls for advice to help you and your new pet adjust. Please remember many of the shelter animals will need time to adapt to a home environment and become acclimated to their new family and surroundings. Please don't expect a perfectly calm, well behaved animal overnight.
