We can only make an educated guess by our limited interaction with them as to how they may behave. Unfortunately, many of our animals are strays without a history and for those with previous owners, we relay the information given to us by their former owners.

**Do you understand that Stray Haven makes no representations or guarantees of the temperament and health of any animal from Stray Haven?**    Yes    No

**Do you understand that Stray Haven is in no way liable for any future injury/damage caused by this animal?**    Yes    No

**Stray Haven welcomes your calls for advice to help you and your new pet adjust.** Please remember many of the shelter animals will need time to adapt to a home environment and become acclimated to their new family and surroundings. Please don't expect a perfectly calm, well behaved animal overnight.
