

The 70 Weeks of Daniel

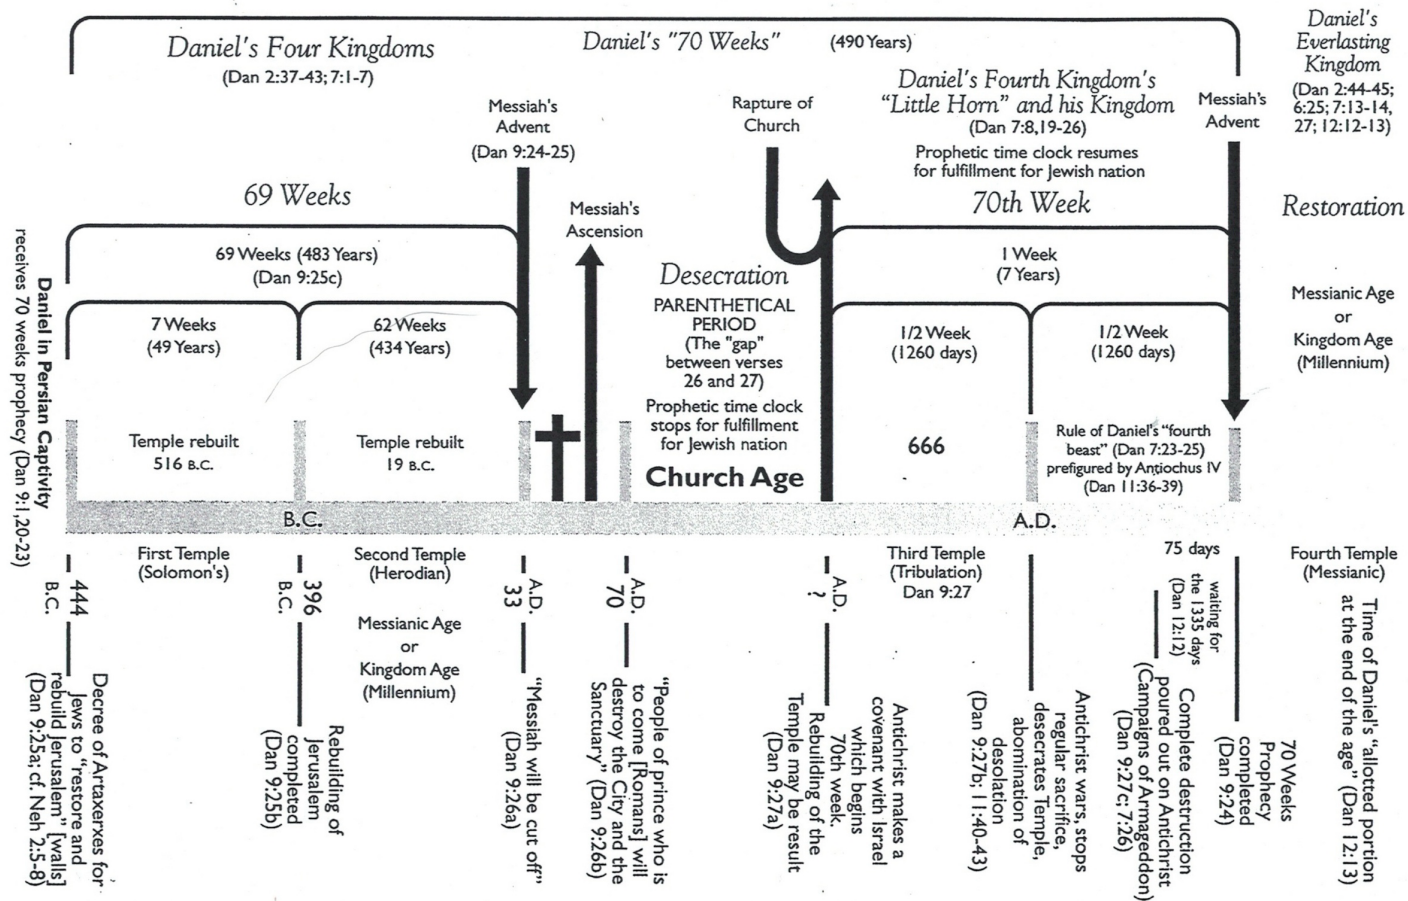

Chart originally conceived and designed by Dr. J. Randall Price

Rationale for 360-Day Years

1/2 week—Daniel 9:27

Time, times, and half a time—Daniel 7:25; 12:7; Revelation 12:14

1260 days—Revelation 11:3; 12:6

42 months—Revelation 11:2; 13:5

Thus: 42 months = 1260 days = time, times, half a time = $1\frac{1}{2}$ week

Therefore: month = 30 days; year = 360 days¹⁹

Man's view of government is quite different from God's. Nebuchadnezzar saw government as a beautiful colossus, and God saw it as a series of rapacious beasts. Historically, God's view has proven true; man's view is a delusion.
