

Coronavirus

Coronavirus, I don't know who's got it
Coronavirus, I don't know who's got it

Boy look around
Why is your mask down off your nose
We don't want your germs, aint you learn
Lets get this over it
Dude where's your mask
I'll whoop your ass
If you get 6ft next to me
If you wanna be 6ft deep
Keep playing these fuckin games

Coronavirus, I don't know who's got it
Coronavirus, I don't know who's got it

Scary scary times
To be barely alive
Its not left or right
We just want to mosh tonight
Please hold your sneeze and your hold kids
Hold your breath next to me
I'll get my shot with this vaccine
I wanna take shots again

Coronavirus, I don't know who's got it
Coronavirus, I don't know who's got it

Coronavirus, I don't know who's got it
Coronavirus, I don't know who's got it
