

# Froot of the Loom

Look at you, froot of the loom  
Where you wanna go, everybody knows  
That you're fuckin gay  
Which is really cool, yeah its really great

How you feeling, are you parents reeling  
Fuck your mom and dad if they don't have your back  
You can be yourself  
Frootest of the loom, its good for your health

Its just not the time  
Its just not the perfect time  
You said "its just not my time"

Babygay, do not be ashamed  
They wanna hold you down, wanna see you drown  
Tell em kiss your ass  
You chose to be you. They chose to be trash.

What you holding  
Let me share the burden  
We are here for you, what you wanna do  
Call me day or night  
I'll be by your back or I'll be by your side

Its just not the time  
Its just not the perfect time  
You said "its just not my time"

*"So my parents when out of town this one time and I found out later on that they were at that crazy fuckin trump rally but, fuck like, them anyway cuz I'm a fuckin queer!"*

"This is the right time..."
