

# Fuck These Fuckin Fascists

Fuck these fuckin fascists  
They can kiss our asses

I've been thinkin bout my whole situation  
I know yall believe that we're the ones who fuckin fucked things up  
But I know that its just you who was hatin' (*hater!*)  
You can blame me darlin  
You can't shame me

Fuck these fuckin fascists  
Fuck their family and friends  
If they defend a fuckin fascist  
They can fuck off till their dead

I been watching you roll up to the Pinhook  
You've been blending in with all these other fuckin crusty punks  
But I see that swastika on your jacket  
I aint out you, buddy  
But I'm bout to

Fuck these fuckin fascists  
Fuck their family and friends  
If they defend a fuckin fascist  
They can fuck off till their dead

Why try to hide  
If you're really full of white, white ass pride  
Show your colors, all your tans and khaki white  
Trust we know

Fuck these fuckin fascists  
*-fuck these fascists-*  
Fuck their family and friends  
*-and their friends-*  
If they defend a fuckin fascist  
*-their ancestors-*  
They can fuck off till their dead  
*-and all their kids-*

Fuck these fuckin fascists  
*-fuck these fascists-*

Fuck their family and friends  
*-and their friends-*  
If they defend a fuckin fascist  
*-their ancestors-*  
They can fuck off till their dead  
*-and all their kids-*

Fuck these fuckin fascists  
*-fuck these fascists-*  
Fuck their family and friends  
*-and their friends-*  
If they defend a fuckin fascist  
*-their ancestors-*  
They can fuck off till their dead  
*-and all their kids-*

Fuck off and die!
