

# Live, Laugh, Lead

Lets be nice  
Lets be kind  
Let's not yell  
Be polite  
Took your house  
And your land  
Lets be nice

Don't be rude  
Don't be mean  
Steal your wealth  
Kill your seed  
Burned your town  
They're all dead  
Live, laugh, lead

Live, laugh, lead  
In your head, you're imagining  
Live, laugh, lead  
In your head and you're back you'll see  
Live, laugh, lead  
In your head now you're 6ft deep  
But you are free, we're free, this is democracy

So look at them  
Not at me  
Shoot your friends  
In the streets  
Wipe my hands  
Of this mess  
Live, laugh, lead

Live, laugh, lead  
In your head, you're imagining  
Live, laugh, lead  
In your head and you're back you'll see  
Live, laugh, lead  
In your head now you're 6ft deep  
And we are free, you're free, this is democracy

So let's be nice

Let's be kind  
Be polite  
Wear a smile  
Don't be mad  
Or you're dead  
Live, laugh, lead
