

UNITY

Unity unity
That is what they want from me
In the land of the free
Drenched in white supremacy, yea

We will never forget, no!
We will never forget
What the fuck you did to us

Unity unity
That is why they yell at me
In my grave six feet deep
Shot on site by their police, yea

We will never forget, no!
We will never forget
What the fuck you did to us
How you did our ancestors
Crammed in the back of the bus
Now you're screamin "live laugh love!"

Why must you lie
Unity, unity, unity, unity
Why why gaslight
For unity, unity, unity, unity
Back that shit up with reparations
