

Emma Justine

COLOR & EXTENSION LOUNGE

Dear Beautiful Emma Justine Guests,

Please join us in congratulating Megan as she advances to Level 2!

More About Megan's Journey

Megan's journey started in May of 2018, when she began her training at the Paul Mitchell Hair School. Shortly after, she joined the Emma Justine Team. Over the course of Megan's tenure with the salon, she has grown tremendously and most recently underwent an extensive training program in Florida, including receiving the highly sought-after Hair Dreams Extensions Certification. This is just another certification to her already existing list of certs. Megan's diligence when it comes to her continued education is evident in her work. We're excited to see her continued commitment to uphold the salon's mission statement by "creating a one-of-a-kind salon experience, that is led by a team with exceptional talent".

What does this mean for all the guests that regularly visit Megan for their beauty needs? With Megan's progression to Level 2, you will notice a price adjustment associated with all future booked services. The Level 1 pricing will still be honored for all existing pre-booked appointments for the next 6 weeks. Should you have any questions, please do not hesitate to reach out to the salon.
