

AUSTRALIAN CUP – R8 RAIN ABOUT SO S5/6

The cup has good overall Quality ratings and within standard. The pace is good with Jenni involved so looking for horses strong at 2000-2400

There is rain about Friday/Saturday but Flemington handles that well so guessing S5 to S6 max.

The race is not a strong betting race re value but our bets based on ROI% (not who we think might win but best chance of good returns) are in this order:

10. Leica Lucy – small win bet

6. Sabaj – saver with small edge profit
