Congratulations to everyone. Overall, I would agree with Mike in saying that this was some of the best overall plowing we've seen. You are all champion plowmen in my book. I would also like say that you to Mike Fitz for hosting our 2026 IPA plow matches. The dirt was really nice and the rain didn't end up affecting much.

We'll see everyone in a couple weeks up in Cedar Falls for the National Matches.

Sincerely,

Ray Elsberry
