Cancellation policy: Deposits are non-refundable.

You should ensure you are in adequate physical condition to undertake consecutive days of hunting activity, possibly in adverse weather conditions. If you have any health conditions which may compromise your ability to participate, or which may be aggravated by this exertion, you are advised to seek the advice of your physician prior to committing to this activity. Hunter agrees to absolve Oklahoma Outdoor Pursuits, LLC, his guides and employees from any liability for injury or illness which may be incurred as a result of this hunting trip. Please sign the liability waiver enclosed with the booking contract. Refusal to sign liability waiver will result in termination of the contract and the hunter will not be allowed to hunt on the property.

Hunter agrees to abide by all laws of Oklahoma. As well as all applicable Federal game laws that may apply. It is the responsibility of the hunter to understand and abide by all applicable laws.

Hunter agrees to be reasonably proficient in the use of his/her weapon. Wounding an animal will be considered a harvest of that animal. No shells are allowed in the chamber and barrels should be pointed toward the floor while in a vehicle. No loaded guns are allowed in or around the camp area.

A buck must have three or more points on one side of his rack. Points must be an inch in length.

Hunter's are responsible for removing any trash that they may create from the property. The hunter may be fined \$25 per trash item for any trash found during or after the hunt.

Hunting is our business; however, we cannot guarantee the availability or take of any game animal. We work diligently to produce game for the hunter and will hunt in areas where game animals have been previously taken or in areas that have been pre-scouted. We will not guarantee against conditions beyond our control, such as adverse weather, interference from other hunters, etc. and the hunter accepts these terms.

We abide by the laws of Oklahoma and by industry-standard outfitting laws and practices. Hunters are forbidden to shoot any animals that are not specified in their contract, unless given permission by their guide. In the event that a hunter kills game not specified in their hunting contract or verbal agreement, the hunter will be charged a harvest fee comparable to the standard hunt price for that animal.

I certify that I have read this contract and agree to abide by the terms of this contract.
