Osmi English School

Tots Course (3 - 4)

For this course, toddlers will learn how to introduce themselves, respond to simple questions and identify the essentials. This includes the alphabet, numbers, and phonemic awareness. By the end of the course, children will be able to construct phrases. They will be able to describe their feelings and recognize their surroundings. The methods we use to teach incorporate vocabulary games, songs, and short stories in the lessons.

Kid Start (6 - 5)

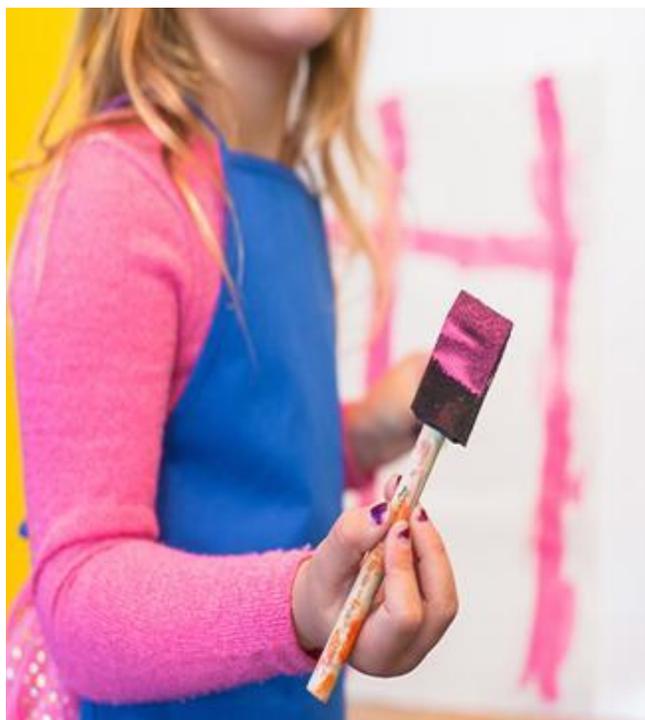

During this course, children will delve into phonics and learn to read sentences. Vocabulary and description will expand further. The core concepts of English are explored. Children will learn to ask about others and answer about themselves. Although it will become challenging, this is a very fun course, and practice will make things easier.

Big Beginners (7 - 11)

This course is designed to master reading and writing. Throughout this course, conversations become more complex. Grammar exercises are introduced in games and fun activities. Children gain the ability to react and respond in English! Verbs and tenses are part of these crucial lessons. Children will enjoy storytelling and answering questions about the readings.

Conversation Club

This is available to all ages. Here, children will be able to express their independent ideas in English. For some children, it will be very easy to start talking. For others, this free style speaking skill will take time and practice. This supplement allows gained confidence in their casual conversations.

“Online Learning = More Interaction”

Teaching Teens (12 - 18)

For the duration of this course we include a broad selection of topics, especially selected to interest the older child. Teens will be introduced to advanced grammar structures and a new, intelligent variety of vocabulary. Teens will know how to talk about present, future and past events. They will be able to add detail and structure to their questions. Through reading passages from books and performing thought provoking exercises, teenagers will master English.

We invite you, father or mother, to give your children the gift of a lifetime. With all the benefits of becoming bilingual in this economy, what are you waiting for? Give your child a brighter tomorrow with Osmi English School.
