Congregational Care Committee

Jean Hartwell will be chair of the Congregational Care Committee and the committee will be looking for members to serve. Initial efforts will be to secure membership and develop a plan to address the stated goals of the committee which include the following: Create and implement a plan to oversee care for the congregation (including things such as marking milestones/celebrating life events); reach out to those who haven't been participating; visit homebound members-provide communion; make hospital visits; send birthday cards to congregational members. We would invite anyone who is interested in this committee to let Jean know. We could use your input. We will be reaching out to other churches regarding congregational care for ideas that we may implement in our church. Even if you don't want to be part of this committee but have some outreach ideas, send them to Jean at: jeanmh@wiaw.net or cell, 531.777.2038.

As part of the Congregational Care Committee, there is a prayer email team with coordinator and a hospitality meals coordinator. If you would like to receive an email to pray for others or if you would like to prepare meals, let Jean know. During 2021, 21 members of the church served as prayer partners and they prayed for the needs of others in 25 prayer emails. In addition, visits, emails, phone calls and food distribution were provided to address those in need.
