*Squads of four shoot with
a Special Ops veteran.*

SOTF's mission is to provide a highly customized transition program for top tier special operations leaders. Since 2013 SOTF has served more than 1,000 operators, placing them in over 450 of America's highest-performing companies.

Your sponsorship pairs you up with one of our military's elite war fighters and funds the mentoring, executive coaching and access that turn them into our country's next business leaders.

RETURN: TALENT

Fellows and alumni out of Booth, Kellogg, West Point, and the USNA seeking roles in business development, operations, strategy, finance, logistics, technology, and analytics.

RETURN: REPUTATION

Visible support for those who served at the tip of the spear — built for firms with veteran hiring goals, military families or involved in aerospace and defense industries.

SPONSORSHIPS

Every sponsor and participant receives a signed book and a Night Stalkers challenge coin.
