Providers must notify parents (required by 22 VAC 40-111-650):

- In writing, within 10 business days after the effective date of the change when there is no longer liability insurance in force on the family day home operation (may use Liability Insurance Declaration Form);
- Daily about the child's health, development, behavior, adjustment, or needs
- Prior to when a substitute provider will be caring for the children (for provider's vacation, appointments, etc.)
- When persistent behavioral problems are identified and such notification shall include any disciplinary steps taken in response.
- Immediately when the child:
 - Has a head injury or any serious injury that requires emergency medical or dental treatment;
 - Has an adverse reaction to medication administered;
 - Has been administered medication incorrectly;
 - Is lost or missing; or
 - Has died.
- The same day whenever first aid is administered to the child.
- Within 24 hours or the next business day of the home's having been informed, unless forbidden by law, when a child has been exposed to a communicable disease listed in the Department of Health's current communicable disease chart. Life-threatening diseases must be reported to parents immediately. The provider shall consult the local health department if there is a question about the communicability of a disease.
- In writing, whenever there are changes in the home's emergency preparedness and response plan (that is, any changes to the Provisions of the Emergency Preparedness and Response Plan given to parents prior to the child's first day of attendance.
- Whenever the child will be taken off the premises of the family day home, before such occasion (except in emergency evacuation or relocation situations) and the provider will have written parental permission
- As soon as possible of the child's whereabouts if an emergency evacuation or relocation is necessary.
