Can Advertising With An Airship (Blimp) Be As Effective As Traditional Forms Of Advertising?", the White Paper - Case Study "Why In-Store Digital Advertising? Who wins?" along with his **"HOW TO GET HIRED FAST" TEACHING Books** (HowToGetHiredFast.com) to help folks find their next best new jobs and get hired fast.

He graduated from Pennsylvania State University with a B.A. in GNAS, Pre-Law and is considered an authority on aerial advertising and in-store digital advertising.

Why did Ronnie Schmidt begin coaching job seekers now?

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. His father was a veteran, had a 10th grade education, a good job and got Ronnie his first job. Ronnie worked as a maintenance helper for an electric company during his summers and retail salesperson at Christmas breaks.

By his senior year at Penn State, he realized that his goal of becoming a lawyer was not going to happen. Even though he earned a B.A. degree, he knew he wouldn't make it in law school. Way too much reading. And in 1971, the job market looked bleak. Not knowing what to do, he was hired as a Sales Representative for Fram, which turned out to be the beginning of a successful career in sales and marketing, having been hired by 6 Fortune 500 companies, hiring and mentoring many with great success.
