He graduated from Pennsylvania State University with a B.A. in GNAS, Pre-Law.

[Why did Ronnie Schmidt begin coaching job seekers now?](#)

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. His father was a veteran, had a 10th grade education, a decent job and got Ronnie his first job. Ronnie worked as a maintenance helper for an electric company during his summers and retail salesperson at Christmas breaks.

By his senior year at Penn State, he realized his goal of becoming a lawyer was not going to happen. He earned a B.A. degree but wouldn't make it in law school.

And in 1971, the job market looked bleak. Not knowing what to do, he was hired as a Sales Representative for Fram, which turned out to be the beginning of a successful career in sales and marketing, having been hired by 6 Fortune 500 companies, hiring and mentoring many with great success.

And now, he is giving back to help those with the mentoring he did not get.
