Why did Ronnie write his *HOW TO GET HIRED FAST* Book and begin coaching now?

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. Unfortunately, that was all the advice his Dad gave him.

By his senior year at **Penn State University**, with no mentoring from anyone, not even school advisors, his dream of going to law school was not going to happen.

Graduating in 1971, the job market looked bleak. He didn't know what to do.

He was hired as a Sales Representative for **Fram Corporation**, which turned into the beginning of a long, successful career in sales and marketing, having been hired by 6 **Fortune 500** companies including **Fram, Boise-Cascade, Amstar-Domino Sugar, Bausch & Lomb, Cooper Vision**, and **Honeywell** along the way.

In 2007 he founded the **Marketing Consultants Group LLC**.

He is sharing his secrets, tips, tactics, teachings, **ADVANCED SYSTEMS** to all he can help.
