Ronnie Schmidt is a results-proven CEO, Marketing Executive, Author, and Coach. Since 1971, he and his sales staffs have been personally responsible for \$252,000,000+ in sales during his sales and marketing management careers being hired by 6 Fortune 500s including Fram Corporation, Amstar-Domino-Sugar, Inc., Honeywell, Inc., Boise-Cascade, Inc, Cooper Vision Inc., and Bausch & Lomb.

He has hired and successfully mentored and taught many students and professional sales and marketing people during his corporate career.

He authored the White Paper- Case Study "Why Aerial Advertising? Can Advertising With An Airship (Blimp) Be As Effective As Traditional Forms Of Advertising?," co-authored the White Paper - Case Study "Why In-Store Digital Advertising? Who wins?" along with his [HOW TO GET HIRED FAST! Advanced Teaching Books Series \(HowToGetHiredFast.com\)](#) to help professional job seekers set themselves apart, find their next best new jobs and get hired fast.

He graduated from Pennsylvania State University with a B.A. in GNAS, Pre-Law.

Why did Ronnie Schmidt begin helping professional job seekers now?

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. His father was a veteran, had a 10th grade education, a decent job and got Ronnie his first job. Ronnie worked as a maintenance helper for an electric company during his summers and retail salesperson at Christmas breaks.

By his senior year at Penn State, he realized his goal of becoming a lawyer was not going to happen. He earned a B.A. degree but wouldn't make it in law school.

And in 1971, the job market looked bleak. Not knowing what to do, he was hired as a Sales Representative for Fram, which turned out to be the beginning of a successful career in sales and marketing, having been hired by 6 Fortune 500 companies, hiring, and mentoring many with great success.

And now, he is giving back the important mentoring he did not get to those in need.
