About the Marketing Consultants Group, LLC's CEO and Author Ronnie Schmidt

Ronnie Schmidt is a results-proven CEO, Marketing Executive and Author. Since 1971, he and his sales staffs have been directly responsible for \$252,000,000+ in sales during his sales and marketing management careers with 6 Fortune 500s including **Fram Corporation, Amstar-Domino-Sugar, Inc., Honeywell, Inc., Boise-Cascade, Inc., Cooper Vision Inc.** and **Bausch & Lomb**. Since 2007 he founded the **Marketing Consultants Group, LLC, The Family Publishers, Inc.** and **Medical Benefits Consultants, LLC**.

He authored the White Paper **Why Aerial Advertising? Can Advertising With An Airship (Blimp) Be As Effective As Traditional Forms Of Advertising?** along with his **"HOW TO GET HIRED FAST" TEACHING, TRAINING Books** (HowToGetHiredFast.com) to help folks find their next best new jobs and get hired fast.

He graduated from **Pennsylvania State University** with a B.A. in GNAS, Pre-Law.

Why did Ronnie Schmidt begin coaching job seekers now?

Ronnie was undecided about going to college. His Dad gave him this advice, get an education. His father was a veteran, had a 10th grade education, a good job and got Ronnie his first job. Ronnie worked as a maintenance helper for an electric company during his summers and retail salesperson at Christmas breaks.

By his senior year at **Penn State**, he realized that his goal of becoming a lawyer was not going to happen. Even though he earned a B.A. degree, he knew he wouldn't make it in law school. Way too much reading. And in 1971, the job market looked bleak. Not knowing what to do, he was hired as a Sales Representative for **Fram**, which turned out to be the beginning of a successful career in sales and marketing, having been hired by 6 Fortune 500 companies.

He has been in the shoes of those who lost their jobs. Two of the **Fortune 500** companies he worked for closed factory doors and hundreds lost their jobs.

And so, now's the perfect time to help those who need the **Secrets, Tips**, and **Tactics** he has learned to get to the front of the hiring line and get hired fast.
