

The following will be the masking requirements for spring sports while at River Falls. All parties should realize that there could be differences in these requirements at other locations.

GENERAL MASKING RULES:

- All parties (players, coaches, officials and fans) will wear masks in designated areas as described below.
- These must be worn from the time said person enters the designated area until they leave
- Athletes only will be able to remove their mask when they are actively participating in their sport
- Athletes can wear a mask throughout if they wish
- Neck gaiters may work best for all of the below

BASEBALL AND SOFTBALL:

- Masks must be worn during warmups when in close proximity
- Masks must be worn in the dugout. Suggested that the mask be left in a common area when they go into the field or in the pocket of pants. Gaiters are suggested
- Player may take off mask when going into the field for defensive purposes and when going on deck to bat
- Coaches should delay any group meeting on the field until all players can be masked

LOCATIONS THAT ARE MASK ZONES FOR SPECTATORS

- 1ST National Bank Field – Dugout to dugout – including bleachers
- HS Baseball Fields – No bleachers. Fans will be encouraged to bring chairs
