RULES:

All attendees must be paid up current Club members who have submitted a signed waiver

Start at first safe light

When measuring fish, pinch the tail and round UP to the nearest 0.5 inch

Fishing ends/lines out at 2:30pm, any fish in process of being landed at 2:30pm will count

Each boat should text pictures of its scorecards to the Outings Coordinator while heading back from fishing and give original scorecards to the Outings Coordinator at the restaurant (TBA)

Please don't forget to take some fish pictures for the Newsletter and Website!

Remember where you fished and with what tackle/bait to discuss at the next meeting!

We'll meet up at the restaurant (TBA) as soon as you are able after docking/clean up
