December 2020 Newsletter

President Tom Tilton presenting 2020 awards

Presidents Corner

Obviously 2020 was an abbreviated Fishing Club year and a strange season for all of us. Who would have thought?

Hopefully with the vaccine, next season will be more normal. We can again start up our monthly meetings, fishing tournaments and social events. We will let you know our plans as soon as we can; however there will probably be nothing new until the summer.

Congratulations to our award recipients for 2020.

Stay safe and have a good holiday season.

Tom

Jeff Bonnett
 (picture on left) is "Angler of the Year" for 2020.

Frances Tutt
 (picture in center) finished second.

In 2020 we began a new method of deciding the Angler and Captain of the Year. We "measured our catch". Also an individual cannot win both awards.

Top results for Angler of the Year were:

- Jeff Bonnett – 332"
- Frances Tutt – 299"
- Duane Thurow – 297.5"
- David Lewis – 233.5"
- Andrea Dankenbrink – 223.5"
- Bob McEneaney – 217"

For "Captain of the Year" we measured fish by boat to determine place. We kept the same point system we were using of 20 points for first place, 19 for second, etc.

Duane Thurow
 (picture at left) came in first place for the season with David Lewis second and John Seaman third.
