## June 2022 Newsletter

### Presidents Corner

To all our members,

We had a good year!

We have a lot of new members, and new boat Captains. It seems as if the year flew by. It was nice to have the club up and running again, after the long delay due to the pandemic. I am looking forward to next season and club membership growing even more.

I hope everyone that traveled home made it safely. For those who are just heading home, we hope you have a safe trip as well. We look forward to everyone returning next year. I personally want to thank all our members for a successful year as well as our board. Because of each of you, this is what makes our club such a successful one. See you in October.

Tom

Congratulations to Bob on a great season.**
