

Vacation Bible School

July 25-29th, 2021 from 5:40p.m.-8:10p.m.
This year we are not offering a meal.

We are requiring all volunteers to be vaccinated since they will be working with youth who cannot be. If you do not wish to be vaccinated you can still support VBS by donating items for the take home snacks or items to be used during VBS. We appreciate all the support we receive from our congregation to make VBS run so well!

We are looking for volunteers to be **Station Leaders** for this year's VBS. Below is a brief description of what would be required of you. If you have volunteered in the past we would love to have you again. If you haven't helped with VBS previously or it has been a long time this is a wonderful program to volunteer your time for! Please contact Misti Crossland, contact@cantonfcc.org or 647-1363, if you'd like to volunteer or would like more information!

Cam Track: You perform with the VBS Leader in the opening skit each day as a train engineer. The character is a little goofy. You would not be required to stay for all of VBS if you take this role.

Ananias: This is a character role that will participate only in Day 1. They will be in a skit during Bible Adventures (4 times) & in a skit in the closing with the VBS Leader.

Bible Adventures: Each day you will tell a story that goes along with the bible point for the day. Some days have skits involved and activities. You will need to do some cutting to the stories that are provided to fit in the 20 minute time slots we have. If you take on this role you need to be able to make adjustments during the stories to allow for questions/responses from the children. Some groups are extremely responsive so they will get less of the scripted story than others.

Audio Visual: You will run the AV equipment in the sanctuary. This involves playing the Bible Buddy videos during the opening each day, playing the music videos for the Sing & Play station, and providing microphones for the VBS Leader, Cam track, and anyone else in an opening/closing skit. If you do not already know how to use the equipment you must be willing to come in & learn beforehand.

By the end of May we will have our usual volunteer board up for people to volunteer as Station Assistants, Crew Leaders, Crew Assistants, Registration Table Assistants, VBS Set Pick-up, VBS Set-up, & VBS Tear-Down. We would love to have older youth volunteers to work as Crew & Station Assistants!
