

Easter Eggs

These peanut butter bites are just too cute!!!

Make them in any mold you have and keep them in the freezer for a special treat! And they take just minutes to make!

Ingredients:

- 1/2 cup peanut butter**
- 1/2 cup solid coconut oil, melted**
- 2 tablespoons carob powder (we bought on-line on Amazon)**

Instructions:

- 1) Melt the coconut oil and let cool for just 2-3 minutes**
- 2) Place peanut butter and carob powder in a bowl and mix with a spatula**
- 3) Add in coconut oil and mix - it will create a totally liquid mixture**
- 4) Spray any silicone mold with a little cooking spray and place on a sheet pan so it can stay flat**
- 5) Pour your mixture into each compartment and fill to the top**
- 6) Place in the freezer for about 30 minutes or until solid**
- 7) Unmold and let your dog enjoy**

Yield: Our recipe made 20 eggs that are 1 3/4" x 1 1/4"
