

THE Nutland Chronicles

SEASON 1

EPISODE 4

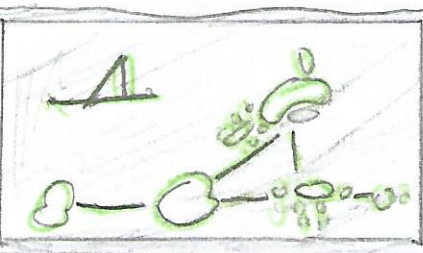

Recently, on Friday...

A Freezer War...

...call it the SHARKFIN Alliance!

Our people will never agree with this! They hate Nutland after what happened in 1941.

NO! My parliament can overrule me!

According to our spies, you haven't had a parliamentary election in a decade.

The creation of a new superweapon caused four great superpowers to emerge...

Nutch Military Base, The North, Mayoneez

Why is it called that?

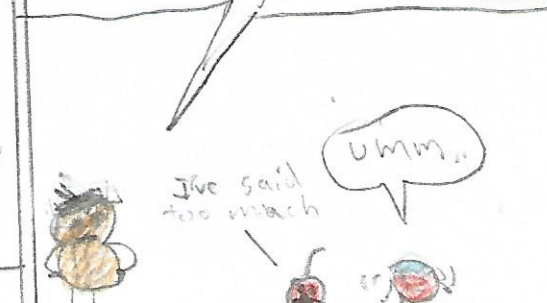

Because the pre-existing alliances form a shark fin when you lay them out

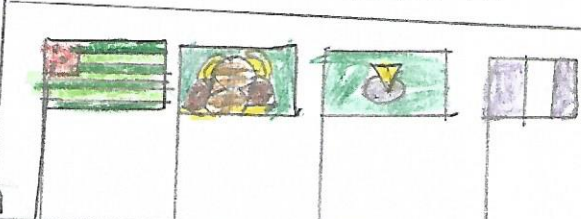

This meeting is not about 1941. That was 16 years ago. And my citizens weren't too happy either!

There's an election in literally 2 mo. - wait, what do you mean, spies?

Which lead to a colder war... a war as cold as a freezer...

310 MA Hello, Everyone, welcome to Fort 4.1.1.1.1.1.1. Today, I would like to discuss an alliance.

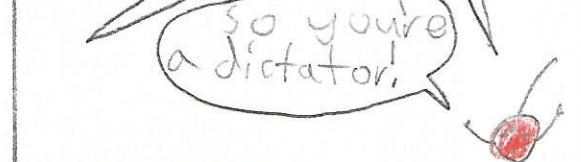

The point is, we all help each other!

Then how are you still in power?

I was elected-for-life!

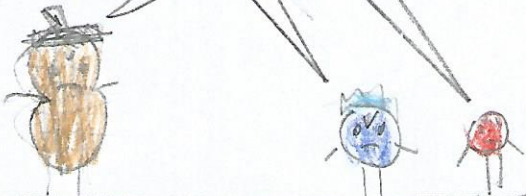

The point is, they will only agree if the terms and conditions are adjusted.

How about this?
Add a clause to the
treaty saying that
you can choose if
you want to help it
if that country isn't
directly
connected.

OK, fine.

I guess I
could
agree
to that.

That's why we
need the citrus
king dom - no-one
knows how to de-escalate
a crisis as fast as them!

A Few Months Later...

MAYO NEWS
Hello, and
welcome back
to Mayo News. Today
is a big day in Nutland
as we have the
first election
since the Ghost War.

MAYO NEWS
Tens of thousands
have gathered
on Embassy Street to
attend the last election
campaigns!

Hello everyone
and welcome to the
Final Nutch Parliamentary
campaign of 310!

Let's Recap who the
party leaders are!

First, the current leading
Party: The Monarchists!

Hi! I'm Princess
Kao, The head
of the Monarchist
Party. I think
we should improve
the military, and
get rid of all the
communists in Gore
and Now!

Thank you! Now
the popular Moderate
Liberals! Represented by
Carol!

Are you tired
of paying M5000
just to not die?
Then vote
ModLib!

wooh!

Next up, the Globalists
with Prinus!

Stop war.
Save the environment
Save the world!

Michael is here from
Labour!

Workers Rights!

Well, this looks like
it will be an inte-

so that's 150 first aid kits, 50 boxes of various weapons, \$100 worth of petroleum gas, and a tank.

The ROW have sent a cargo plane with more supplies. It should be here in a few hours.

Onward!

Thank you. Now we can have freedom and democracy.

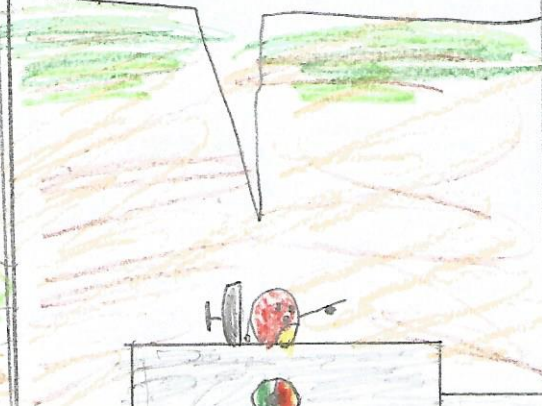

Goodbye!

Tropic Jungle path, 4 days later...

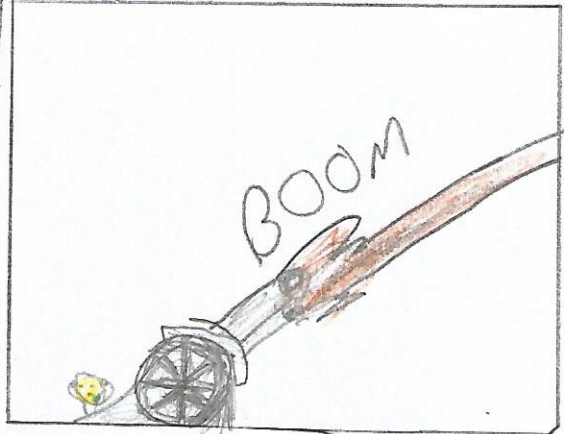

Look! There it is!

Unise Palace!

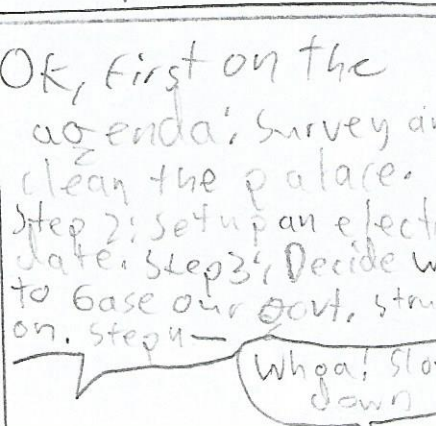

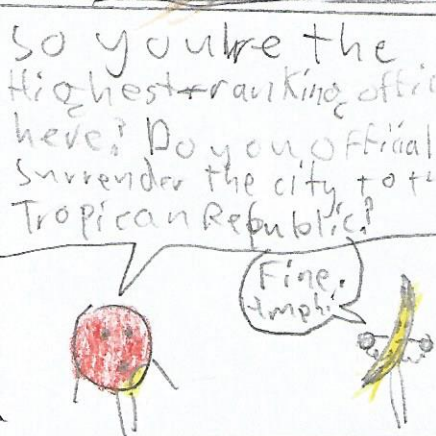

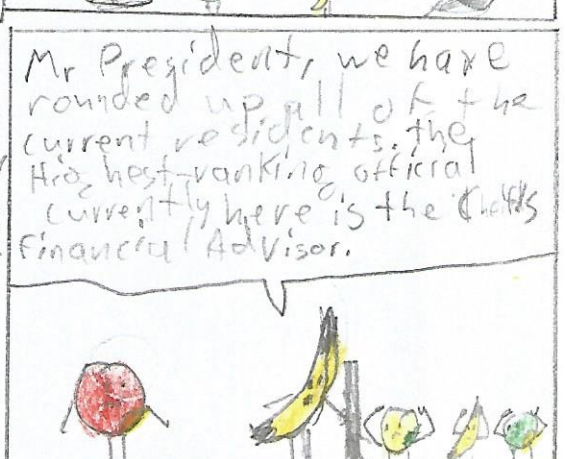

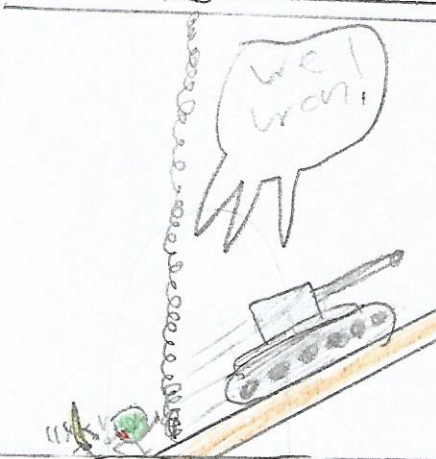

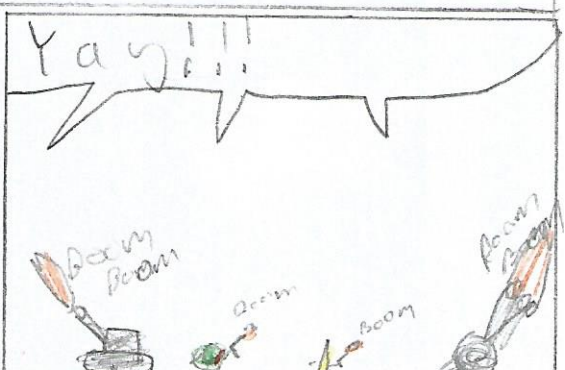

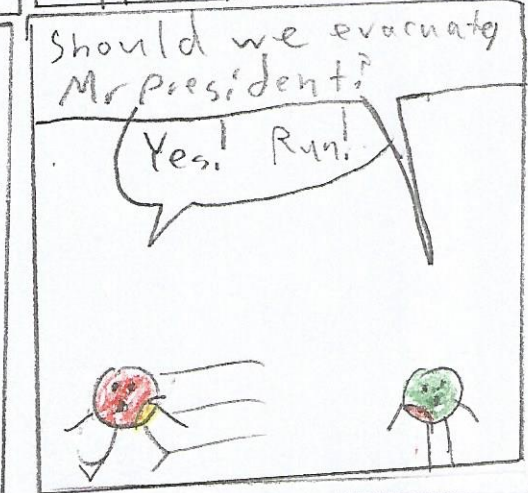

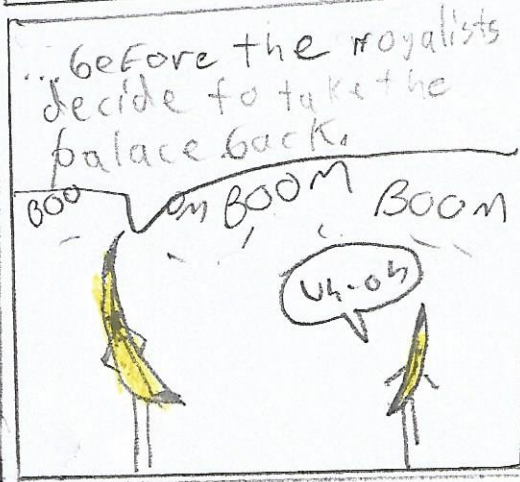

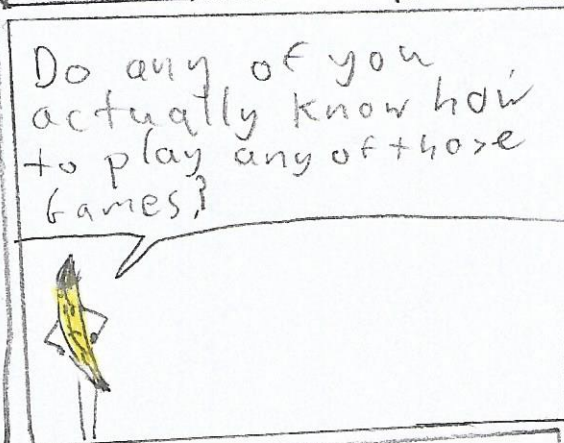

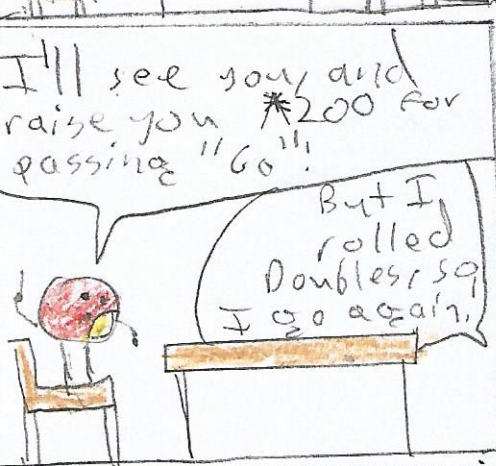

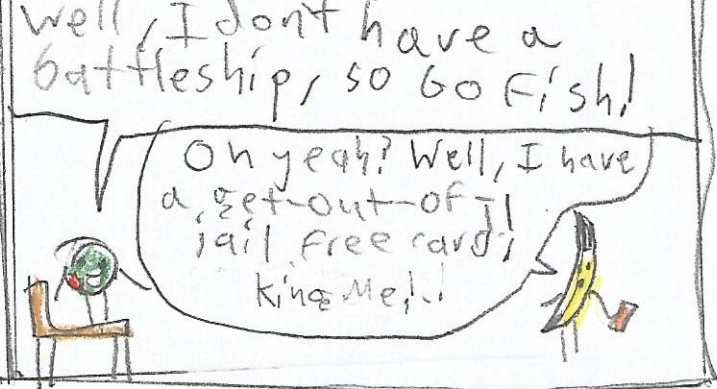

Prepare for a
seige!

Fire the Artillery!

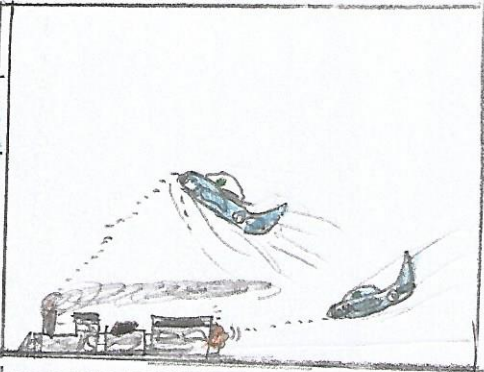

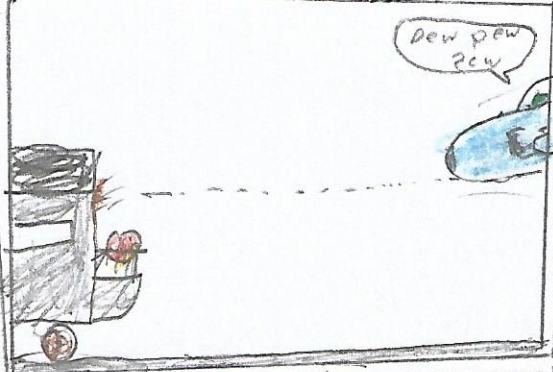

One Week Later

But still, they
just destroyed a century-
old historical site of
interest, along with nearby

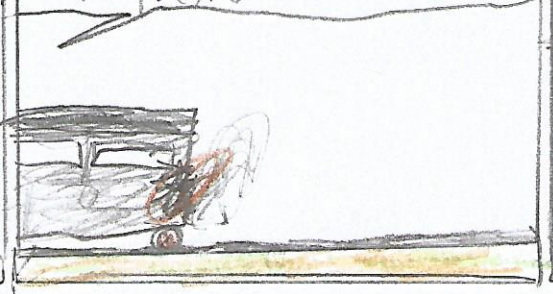

At least they
didn't blow us a-
Look out!

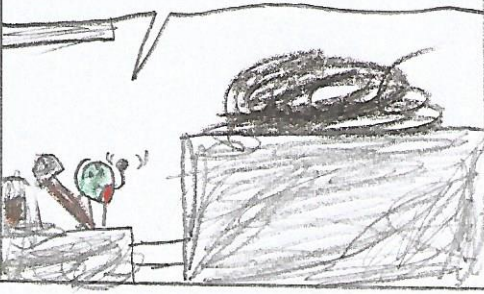

Oh No! The smoke

Meanwhile, Back in Nutland...

Well the whole
Tropical Republic thing
didn't work out.

The survivors
escaped to
Citroa- we can
still help!

Nor I think the
people would hate
that. Maybe we should
get to work on a
space program!!!

THE
END

For now,
