

THE ALL YOU CAN EAT ORCHESTRA

"AYCE brings the authentic magic of Las Vegas. A real take on local creatives that continue to build this city."
-Natalie Burgh, Fat Cat

The Band

"Improv Alchemy"

The All You Can Eat Orchestra (AYCE) is known for thematic and free flowing performances, seamlessly swaying from soft and soothing duets of cascading melodies, to polyrhythmic trance-like grooves and high energy dance music. An AYCE show is a musical journey with ebb and flow that often embodies the energy of a DJ mix with the band's ability to play long and progressive sets.

Since 2019 the members of AYCE have played nearly 300 shows together in the Las Vegas area in various formats. Each member in the band is a producer/DJ and an accomplished instrumentalist involved in multiple music projects, making The All You Can Eat Orchestra a local super group. The band has a current residency at Fat Cat in the Downtown Grand Casino in Las Vegas.

"I'm not good enough to be in THE ALL YOU CAN EAT ORCHESTRA so I had to start my own shitty band."
-Josh Coutts
