

Dear Parents/Guardians,

We believe that reading throughout the summer is vital to helping each student maintain and expand their reading skills. For this reason, we are excited to announce our summer reading requirements for rising 3rd - 6th grade students. A reading grade will be assigned for completion of the book review form(s), and five points will be deducted for each day the assignment is late. Students will be required to take an AR test on their book(s) upon their return to school. This will count towards their first quarter AR goals.
