## **SAVE OUR STOCKBRIDGE**

### **UPDATE**

We hope you are all keeping well in these difficult and anxious times.

#### **Proposed Development on Houghton Road**

The three Parish Councils of Stockbridge, Houghton and Longstock have all agreed that the way forward, as regards the proposed development being put forward by promoters (Obsidian Strategic) on behalf of the Busk Family Trust, is for all three parishes to meet together **at a public meeting** with the promoters. This idea has been put to Obsidian Strategic but with no response thus far. Obviously there can be no public meeting while we are all being encouraged to stay at home and so the SOS committee will remain on watch just in case any planning application about the development is made to TVBC in the meantime.

#### **Annual Parish Meeting**

You will not be surprised to learn that this meeting, which was due to take place on 23<sup>rd</sup> April, has been cancelled.

## **Response to Covid-19 in Stockbridge**

We thoroughly support the present initiative by the local group (of whom 3 are members of the SOS committee) to support anyone in Stockbridge who may need help over the forthcoming weeks. We thank them all on your behalf.

Keep well and we will be in touch again when there is anything to report.
