

Welcome families!

Strathcona Nursery School is honoured that you have chosen us as your child's preschool. Our preschool encourages development through play in a nurturing, positive and respectful environment. Strathcona Nursery School is also a parent cooperative preschool. This means we are at our best when we have parent engagement and involvement. As a parent co-operative, the families run the business of the school. Board positions are essential to ensure that the nursery school runs smoothly year to year. Details on volunteer expectations will be further outlined in the [parent handbook](#) provided to registered families. Volunteering is a great way to learn new skills, build relationships, get involved, and help to make key decisions that directly impact the nursery school your child is attending. Each role has an expectation of time commitment, and helps to ensure the continued administration of the school. At least **one member** of your family should participate in a volunteer role. Please check a box for a board position that you would like to be responsible for. It is also important to note that once in a board position, there will be a period of learning from a previous member.
