Since time immemorial, Indigenous peoples have lived on and cared for this land. We seek to rebuild right relations with the Algonquin Anishinaabe, to learn from them, and to live on their land with respect and gratitude.

Words of Welcome

Gathering Prayer:

Great Creator God, in the midst of our weekend celebrations, we pause to give thanks for all who have made and continue to make this country their home; we come to seek your eternal guidance as we move forward into the unknown future; and we ask for your bountiful blessings upon all Canadians wherever they might be on this day. Be especially with us now in our worship we pray. Amen.
