The second part of the paper presents a detailed description of the project itself, including its objectives, activities, and the resources that were mobilized to implement it. The third part of the paper discusses the challenges that were encountered during the implementation of the project, and the strategies that were used to overcome these challenges. Musical Prelude

Call to Worship : (In unison)

Let us begin our worship service by acknowledging that we are gathered on the traditional unceded ,unsurrendered territory of the Anishinaabe Algonquin People. As guests, we are honoured to gather here today and we thank all the generations of Anishinaabe Algonquin People who have and continue to take care of this beautiful land. We recognize and appreciate their historic connection to this place. We also value the contributions that Inuit , Metis, and other Indigenous Peoples have made, both in shaping and strengthening, this community, province and country. So with humility and gratitude for the land we stand on, let us Worship God.

Gathering Prayer:

God of all people, Great Spirit, Holy One, we pray that you might be with us now as we gather here on the land of ancient peoples. Give us a sense of justice so broken promises might be forgiven; ancient wrongs might be addressed; and new ways of treating others might begin to simmer in our hearts and minds. Be especially with us now we pray. Amen.

The Prayers and The Lord's Prayer:

Our Father, who art in heaven,
hallowed be thy name.

Thy kingdom come,

Thy will be done

on earth as it is in heaven.

Give us this day our daily bread;

and forgive us our trespasses,

as we forgive those

who trespass against us;

and lead us not into temptation,

but deliver us from evil

For thine is the kingdom,

and the power and the glory,

for ever and ever. Amen.
