

# Merry Christmas!

As the year comes to a close and the festive season is upon us, I wanted to take a moment to extend my warmest wishes to each and every one of you. Christmas and New Years are a time of joy, reflection, and gratitude. It is a time to celebrate with loved ones, cherish the moments we have shared throughout the year, and look forward to the opportunities that lie ahead.

I would like to extend my deepest appreciation to all those who have worked tirelessly behind the scenes, keeping us safe and ensuring the smooth functioning of our community. Thank you to our council members, administration, water, finance and records, emergency management, fire & EMS, police department and public works as your dedication and hard work have not gone unnoticed. To our service members and veterans thank you for your service and sacrifice.

In addition, I would like to thank the public for their support in my current campaign for County Commission Chair. My gratitude to the tireless volunteers and well-wishers.

As we welcome the joyous holiday season and look forward to a new year filled with hope and promise, let us remember the true spirit of the season – kindness, generosity, and unity. It is through these virtues that we will continue to uplift one another and build a stronger, more resilient community.

From my family to yours, I wish you a Merry Christmas, a joyous holiday season, and a Happy New Year!
