“Petrichor & Ayrshire Mist” Luxury Afternoon Tea - A Sensory Retreat Delivered Directly to Your Door

Transform your stay into a sanctuary of relaxation with our curated Petrichor Afternoon Tea Hamper. Inspired by the restorative scent of rain falling on dry earth, this hamper combines artisanal flavors with the rugged, botanical elegance of the Isle of Arran.

The Culinary Experience - a handpicked selection of treats designed to evoke the freshness of the Ayrshire countryside and the comfort of a traditional tearoom.

The Savory Selection

Signature Homemade Sausage Rolls: Our house specialty—succulent, seasoned sausage meat encased in buttery, golden-flaked puff pastry.

Coronation Chicken sandwiches: Tender poached chicken in a delicate, creamy spiced sauce with hints of apricot and toasted almonds.

Ayrshire Ham & Mustard sandwiches: Premium, local thick-cut Ayrshire ham paired with a gentle swipe of English mustard on malted farmhouse bread.

Egg Mayonnaise & Chives sandwiches: Farm-fresh eggs crushed with a rich, silky mayonnaise and topped with freshly snipped chives and garden cress.

The Cake Selection

A classic, Handmade Victoria Sponge, layered with velvety buttercream and raspberry jam, dusted with a fine cloud of icing sugar.

A rich, decadent dark Chocolate Cake, the perfect bittersweet companion to a misty afternoon.

The Scones: Freshly baked, ready for gentle reheating, scones served with individual pots of world-renowned Tiptree Strawberry Preserve and indulgent Cornish Clotted Cream.

The Signature Brew and bubbles

Our In-House Artisan Tea Bags, custom-blended to complement the Arran range. This delicate black tea base is infused with whole dried rosebuds, mirroring the floral heart of the "After the Rain" scent. A small bottle of rose cava or prosecco is also provided.

The Signature Wellness Gifts

Because a true escape involves all the senses, every guest will be given collection of premium gifts to take home.

ARRAN Sense of Scotland: ['After the Rain' Discovery Set](#): The ultimate luxury souvenir. This set captures the lime, rose, and sandalwood scent that echoes the fragrance of a garden after a summer downpour.

ARRAN Lavender & Spearmint Botanical Mist: A mini refreshing, cooling mist to create a calming, herbaceous atmosphere in your rental linens or lounge.

ARRAN Lavender & Black Pepper Bath Salts: Mineral-rich travel container of salts that combine the soothing properties of lavender with a sophisticated kick of black pepper—ideal for a long soak in a roll-top bath.
