THE QUEENS LANDING SPA

The spa suite, the queens landing spa, is on first floor wing of the crown spa venue and is bookable individually on top of the main venue and optional. An indoor 4 seater hot tub (without curfew), steam room and sauna provides ultimate relaxation. The treatment room is outside this area as well as a small cocktail bar.

Two of the shower rooms are adjacent to this area. The queens landing can, if you prefer, be accessed independently of the rest of the venue and locked off so is ideal if you have a members in our group that need some privacy or quiet time. Alternatively it can be opened up to create an enlarged space for you. This can be booked at same time as main venue or added later, subject to availability.

We recommend you book both the main venue and queens landing spa if you have a group size over 20.
