

Competency 007:

-The entry-level principal knows how to develop relationships with internal and external stakeholders, including selecting appropriate communication strategies for particular audiences.

-As the teacher representative on our Site Based Decision Making committee, I have been able to work with members of our community, as well as the parents of our students.

-I have been a member and attended meetings of our campus PTA every year that I have worked on our campus.

-I am active on social media in multiple forms, in which I interact with members of our community as a representative from our school.
