

## ***Psssssssssst.....A Letter from Santa Claus to you:***

*“Every year I am inundated with letters from around the world asking me and my merry Team to bring specific presents, for specific people on a specific day.*

*This year, I would like to reach out to you, the generous ones and suggest that you gift yourself. Experiences, rather than material objects that either break, are not necessary or have no real substance, are something the soul cherishes and values for eternity. Now is the time to invest in your life, discard the shackles of consumerism and learn how to feed your souls.*

*My gift to you, is to whisper what adventures have been proven to be soul-nourishing.*

*The Big Five secret vacations for 2024 are.....”*

***Tracking Desert Elephants – Damaraland- Namibia***

***Mokoro Safari – Okavango Delta -Botswana***

***Castaway in a private Villa with your own boat- Mozambique***

***Let Africa into your blood – Exclusive Villa -Kruger Park***

*For the adventurous...*

*4x4 Cape Town to Victoria Falls - Zimbabwe*

*Two young ladies just finished this amazing journey*

*All of the above experiences are our top selling destinations for 2024 and offer the discerning educated guest a glimpse of real Africa. Due to their close proximity, all can be used in conjunction with one another for the ultimate in African immersion.*
