

## **Heavy Equipment Mechanic Job Description**

360 Civil, Inc. & 360 Paving, LLC. Is looking to hire an experienced Heavy Equipment Mechanic to inspect, service, and maintain our wide range of heavy-duty construction equipment. As a lead mechanic, you will be responsible for driving to the job site, inspecting equipment, carrying out services, conducting repairs, and providing routine maintenance to the construction fleet.

To ensure success as a Heavy Equipment Mechanic, you should have proven experience working with heavy machinery, and be able to troubleshoot, and repair any issues on the job site.

### **Heavy Equipment Mechanic Responsibilities:**

- Driving to the job site.
- Inspecting trucks, loaders, excavators, graders, pavers, rollers and various other heavy equipment for proper performance.
- Providing annual DOT inspections.
- Diagnosing faults using computerized testing equipment.
- Adjusting equipment and replacing faulty parts.
- Repairing damaged equipment parts.
- Cleaning, lubricating, and conducting routine services on heavy-duty vehicles.
- Cleaning and servicing of machine attachments like winches, blades, and side booms.
- Performing major repair work when necessary.
- Consulting with other mechanics on smaller jobs.
- Reporting damaged or faulty equipment to management.

### **Heavy Equipment Mechanic Requirements:**

- High school diploma or GED.
- CDL Class B, Hazmat preferred.
- Provide your own basic tools used for the job.
- Certification as a Heavy Equipment Mechanic.
- Proven work experience as a Diesel or Heavy Equipment Mechanic. Experience Required.
- Understanding of computer testing technologies.
- Ability to lift heavy machinery.
- Extensive knowledge of diesel engines and construction equipment.
- Ability to work after-hours if required.
- Good communication skills.

- **Physical Address: 403 Broadway, Suite 1-B, Eagle Colorado 81631**
- **Mailing Address: Box 2247, Gypsum Colorado 81637**
- **(970) 328-4900 (o) • (970) 328-4984 (f) • 360Civil.com**

## **Equipment provided:**

- Fuel/Oil Truck
- Service Truck w/crane if needed
- Special Tools necessary will be provided as the needs arise
- Welders/Torches

## **Benefits Include:**

- Safe Harbor matching 401K (up to 4%)
- Paid Holidays
- Health Insurance
- Paid continuing education within discipline
- Salaried position
- Discretionary Bonus

## **Compensation:**

- Hourly wage Commensurate with Experience/Education/Qualification

## **To Apply:**
