

# Attention COVID-19

**You must adhere to the following guidelines at all times while at our campground**

- Mamquam River Campground is not open for those who have tested positive or have Covid symptoms and or are seeking a location to Quarantine
- Campground staff to assist in site selection for all to ensure physical distancing requirements
  - Members of the same household may occupy adjacent sites; otherwise there must be an empty campsite between guests, including friend groups.
- Do not establish gatherings in common areas.
- Maintain the 2 metre (6 feet) physical distance rules prescribed by health authorities for all personal interactions (except for members of the same household)
- Please use appropriate Personal Protective Equipment and sanitizers as per health authority recommendations.
- Patrons must supply their own toilet paper and sanitizer
- Patrons must sanitize all common surfaces they may come into contact with prior to and after their use. This includes outhouse doors, handles and facilities, garbage can lids and picnic tables.
- **No visitors are permitted, local or otherwise.**
- Maintain 2 metre (6 feet) distance for all trail usage including dikes surrounding Campground
- Pets and children must be closely monitored and supervised. Do not allow them to interact with other pets or children.
- Please try to have all payments done online.
- Do not give unused firewood to others.

*All municipal, provincial and federal guidelines not listed above must be adhered to.*

**Important note:** During this unprecedented pandemic there is a very strong anti-visitor sentiment in Squamish. We advise that you do not interact with locals if at all possible including avoiding local grocery stores when possible. Our usually very welcoming town is very fearful about the Covid-19 ramifications of your visit. It is also very important to limit your recreational activities to minimize the chance of injury to yourself or others.
