

Boston 2026

Thank you for joining us today for the second annual Inthrive Film Festival-Boston!

We're so grateful you've taken time to experience the stories of incarceration survivors told in their own words, meet with local organizations working to remove barriers to successful reentry, and hear from folks who have gone from incarceration to thriving!

As you leave today, we encourage you to stay connected with the community of incredible people doing amazing work in Boston and support their efforts to help more people go from **incarceration to thriving!**

Celebrating the voices & talents of incarceration survivors
