KAREN MAIN KEYNOTES CONFERENCE

For the past twenty years, Karen Main has devoted herself to training and coaching leaders in the public sector. As a professional speaker, teacher and coach, she helps others identify their passions, strengths and talents so they can live their best lives. Karen holds a PhD (ABD) and an MA in Sociology from the University of Denver and is certified in "The Art and Practice of Leadership Development" from the Kennedy School at Harvard University. In addition, she's an Advanced Associate in Emergenetics® and holds a certificate in mediation from CDR Associates in Boulder, CO. In her current position as CEO of Innovations in Training, she travels the country providing custom leadership development and teambuilding programs to public-sector organizations. She's proud of her affiliation with NAPT and numerous chapters at the state level. When she's not working and sharing her passion about leadership, she's traveling, meeting new people and exploring new culinary scenes across the globe.

We have contracted with the Crowne Plaza for a block of rooms. Please do not wait to make your reservations with the Crowne Plaza.

Come to IAPT's Mechanic Workshops to receive information and hands-on training. At this year's workshops, we are committed to providing timely training for all. Mechanics attending the workshops also have the opportunity of attending our large trade show and speaking with representatives from all exhibitors. For more information, contact Robert Long at: rlong@stew-stras.org.

Following the workshops, all mechanics are invited to participate in the IL Best School Bus Technician Competition — **either as a competitor or as an observer**. The Tech competition is a fun learning experience for everyone. The final scores of the competitors will not be revealed. The mechanic with the highest score from the written part and the "hands-on" part of the competition will earn the opportunity to represent Illinois at the National competition. Travel expenses to the National competition will be provided by Hydrotex and IAPT. For more information, please contact Bob Long (217) 682-3355 ex 242 or email: rlong@stew-stras.org

I hereby agree to the following terms and conditions: Both as to myself and my heirs and personal representative, I release the Illinois Association for Pupil Transportation and all of its officers, and/or representatives from any liability and right of action that might arise from any damage or injury I may receive from attending or participating in said 2021 IAPT Conference Events.

The Illinois Association for Pupil Transportation shall have the right to use any article or photographs taken of me in connection with the 2021 Mechanic Workshops &/or Technician Competition for whatever purposes, whether in advertising, promotions, or exhibits. I will be bound by all orders, rules and regulations governing the Illinois Association for Pupil Transportation Mechanic Workshops &/or Technician Competition while participating in them as a contestant or spectator.
