 Huntington, WV
 Beckley, WV

VFD/Drives & Soft Starters

- ABB ACQ550 Low Voltage VFD/Drives
- Enclosure Classes UL Type 1, 12 and 3R
- Various constructions available, including bypass and disconnect with short circuit.
- Ultra-Low Harmonic VFD/Drives
- Medium Voltage VFD/Drives
- ABB PSTX Soft Starter
- Stocking Distributor for ABB VFD/Drive and Soft Starters

SCADA/Telemetry/Alarm

- Radio, Cellular, & Phone Line Telemetry
- Web-Based Monitoring Systems
- Alarm Notification & Remote Monitoring Systems
- HMI Software
- SCADA Software
- Alarm Dialer
- Internet Client

Flow/Level/Pressure

- Electromagnetic Flow
- Coriolis Meter
- Vortex/Swirl
- Ultrasonic Level
- Magnetic Level Gauge
- Pressure Transmitter
- Differential Pressure Transmitter
- Cage-Protected Level Transmitter
- Pressure Transducers & Transmitter/Switch
- Pressure Gauges
- NO Float & NC Floats

Pump Controllers

- Simplexes
- Duplexer
- WebMaster
- Intrinsically Safe Duplexer
- Custom PLC/HMI Control systems
- SC100 Controller
- SC1000 Controller
- SC2000 Controller

C2G Service

- Custom Panel Shop
- Custom Panel Design
- Super-Fast Response and Shipping
- After Sale Service & Support
- Equipment and System Troubleshooting
- Regal Chlorinator maintenance program
- Drives maintenance program
- On-call Service Technicians 24/7
- Arc Flash Studies
- Infrared Thermography
- Fiber Optic Terminating
- Generator Installation
- Power Quality Monitoring
- On-Staff Control Engineers
- On-Staff Electrical PE
- Local Inventory Stock

Analytical Instrument

- Free Chlorine
- Total Chlorine
- pH/Redox
- Conductivity
- Turbidity
- Dissolved Oxygen
- Dissolved Organics
- Ammonia
- Source Water Monitoring System
- Nitrate
- Fluoride
- Iron
- Manganese
- Aluminum
- Electrodeless Conductivity
- Oxygen Zirconia
- Phosphate

Chemical Feed & Storage

- Polymer Feed Systems
- Chemical Feed Station
- Chemical Storage Tanks
- General Tank Accessories
- Custom Engineering Capabilities
- Chemical Feed Systems
- Chemical Feed Pumps
- Peristaltic Pump
- Diaphragm Pumps
- Motor Driven Pump

Control Products

- Automation (PLC/HMI)
- Relays & Timers
- Contactors/Overloads
- Manual Motor Starters
- Control Breakers
- Control Transformers
- Power Supplies
- Terminals Blocks

PACKAGED SOLUTIONS

BLOWER PACKAGES

- Skid packages, custom enclosures, shipping containers, rugged construction and engineered to meet any specifications. Sigma Controller the most advanced blower controller

BOOSTER PUMP SKIDS

- Standard & Customized Commercial Booster Packages Including: Pumps, Valves, Piping, Instrumentation, Controls

CHEMICAL DOSING SKIDS

- Chemical storage tanks, pumps, mixers, timers, alarms, controllers, injection nozzles and gauges - customized into a single skid mounted unit.

Pumps & Valves

- Vertical Multi-Stage Pumps
- Drop-in Replacement for Gould's and Grundfos
- Prepackaged Booster Pump Skids
- Prepackaged Metal building Booster Packages
- Ball & Knife Valves
- Butterfly Valves
- Check Valves
- Actuators

Blowers

- Rotary Lob Blowers
- Rotary Screw Blowers
- Screw Compressor
- Accessories

Gas Chlorine Feed

- Chlorinators
- Sulphonators
- Ammoniators
- Gas Detectors
- SmartValves
- Cylinder Scales
