

We have been informed by Customs that all importers require a CAPS ID number to import their personal or business goods. You can fill out the form and email it to capshelpdesk@gov.bm with a copy of your driver's license. Please check section 1.03.iii Personal Importer. Your name, number and email go in Section 3.

If you are importing your goods for business use, your items must be ordered in your business name and you must have a separate CAPS ID number for your business. You can get that number by checking section 1.03.1 Commercial Importer.

Please send a copy of the returned email from Bermuda Customs to Seaventure@logic.bm.
